

JOKISCH FOSIA DERMA CLEAN (Jokisch Derma Clean Mild)

Mild skin cleansing lotion for light soiling.

APPLICATION

Mild cleansing lotion for light soiling. It has good cleaning properties and an excellent skin tolerance. Ideal cleaning lotion for light soiling for example in the office area.

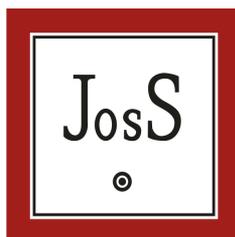

1. Apply to the moistened skin.
2. Then continue washing with little water.
3. When the dirt is completely dissolved, rinse hands thoroughly with water and then dry carefully.

CHARACTERISTICS

- Good skin compatibility due to balanced surfactant combination
- Particularly skin-friendly
- Adjusted to the natural pH-value of human skin
- Soap-free
