

TECHNICAL DATA SHEET

JOKISCH MONOS ATOS N2B (Jokisch Cutting Oil VEG)

Mineral oil free metalworking oil for universal processing.

APPLICATION

Specially developed for cutting operations during thread cutting. The product is also suitable for almost all manual metalworking operations, such as drilling, turning, milling and stamping.

Suitable for all materials such as steel, non-ferrous metals and aluminum.

CHARACTERISTICS

Operates extremely economically and offers long tool life and optimum workpiece quality. Due to the choice of components, it is also very skin-friendly.

Suitable for minimum quantity lubrication.
